DAVID DORFAN
Acting Provost, Oakes College

Dear David:

I want to thank you for your continuous and effective support for the "Califas" art exhibit which is currently at the Mary Porter Sesnon Gallery in College V.

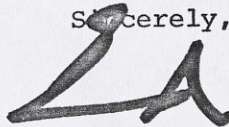

It was due to your initial support of the curatorial committee's proposal to produce a catalogue for the exhibit that the Chancellor gave \$5,000 towards this project.

I have a proposal in to the museums and historical research division of the N.E.H. to fund the other half of the cost of the catalogue as well as a project to have "Califas" travel around the state to museums and galleries.

I want to thank you for the \$750 you got for us through the Council of Provosts to put on the reception and round table discussion on Saturday, April 11. The event was a huge success with a substantial turnout. The event was documented by videotape by Rocky and has been broadcast locally. Channel 8 and Channel 22 are preparing a report.

Most of all I want to thank Carol for the gourmet dinner she prepared for the artists and their guests (menu included salmon and boeuf bourguignon). Though prepared for only 50 people, more than 100 showed up. Yet no one went away dissatisfied from the Provost's house from where good cheer and love for fellow human beings abounded that night.

Sincerely,
